December 21, 2020

Dear Parents and Guardians,

As you know today the provincial government announced that effective 12:01am December 26th, Ontario will enter into a Province Wide Shut down.

In addition to this shut down, elementary school students at publically funded schools are expected to participate in remote or virtual learning from January 4-8, 2021, returning to in-person classes on January 11, 2021.

Kids & Us will re-open our childcare's on January 4, 2021 and remain open for the duration of the lockdown, however we are "**prohibited from serving school age children**" during the January 4-8, 2021 period, as the expectation is they are learning virtually. Therefore, there are no school age programs offered between January 4-8, 2021. Families who have paid for school age childcare during this time, will have their account credited for the amount paid.

Please note that our childcare programs for toddlers and preschoolers will not be affected by the lockdown at this time. If your pre-booked childcare needs have changed, please contact your childcare centre before December 24th at 12:00pm to make any necessary adjustments.

We remind you of the importance to follow local Public Health Guidance over the Holiday Season. You can find the updated information for Grey Bruce at publichealthgreybruce.on.ca

Stay well,

A handwritten signature in black ink that reads "Michelle Knott".
